

LA HABRA HEIGHTS VIEW HOME

3 bedrooms 2.5 bathrooms panoramic view from 3 levels 1,400 sq ft bonus room 4,200 sqft home

580 Church Hill Road, La Habra Heights

An Acre view Lot with a grove of mature fruit trees in a very private location.

\$1,100,000

A better view, does not exist! ...city lights, Hacienda Golf Course, trees, and Catalina views! The home is gigantic at 4,200 original square feet on three levels with views from all bedrooms, bonus room, kitchen, family room and living room. There are two balconies which are the length of the house, step outside onto a balcony from the kitchen, living room, family room and two bedrooms. There is a 1,400 sq foot bonus room with a shuffle board that is ready for the fun to start. A large lot with aprox one acre with mature fruit trees.
